# SUSTAINING MEMBERSHIP APPLICATION 2023

On behalf of our Board of Directors, we invite you to consider supporting the Northern California Chapter of the Society of Environmental Toxicology and Chemistry (NorCal SETAC) as a Sustaining Member. NorCal SETAC provides local opportunities for students and professionals working in the fields of environmental toxicology and chemistry. SETAC is a not-for-profit, worldwide professional organization comprised of individuals and institutions dedicated to the study, analysis and solution of environmental problems, the management and regulation of natural resources, research and development and environmental education. Our mission is to support the development of principles and practices for protection, enhancement and management of sustainable environmental quality and ecosystem integrity.

### As a Sustaining Member of NorCal SETAC, you will receive:

- Recognition on website, at Annual Meeting, and other NorCal SETAC-sponsored events
- Free advertising in NorCal SETAC newsletters (2-3 editions per year)
- Free job ads on our website for your business
- Special invitations to social events and Chapter activities
- Complimentary registration(s) at Annual Meeting
- **Plus** additional benefits depending on your sustaining membership level, which can be found on our website
